1. Installation/Uninstallation

Requirements:

- You need to have MS ActiveSync Software/ Device center on your Desktop and make sure your device is connecting with Desktop PC.
- **.Net Framework**

Download & install the .Net framework from the following links in case the system prompts for missing runtime files.

- **PocketPC (.Net Compact Framework)**

<http://www.microsoft.com/downloads/details.aspx?familyid=9655156b-356b-4a2c-857c-e62f50ae9a55&displaylang=en>

- **Desktop**

www.microsoft.com/downloads/details.aspx?FamilyId=10CC340B-F857-4A14-83F5-25634C3BF043 - 33k

Steps to Install MxStocks program.

- Execute MxStocks.exe and follow instructions. ONLY IF prompted to install the .Net Compact Framework on your POCKETPC device execute the Dot_Net_Compact_Framework_2.exe to start the installation of .Net Compact Framework runtime files.
- When finished, go to Start Menu>>Program, here you will see the Icon of 'MxStocks'.

Steps to Uninstall MxStocks program.

To remove the product from your Pocket PC:

- Go to **Start menu >> Settings.**
- Select **System** Tab and tap on **Remove Programs.**
- Select MxStocks from the list and tap on the Remove button.
- Choose **"Yes"** to confirm removing.

2. Overview

Create Stock portfolio & retrieve Stock Quotes with graph.

Stock quotes. (Stock name, rate, change and change in % are displayed.)

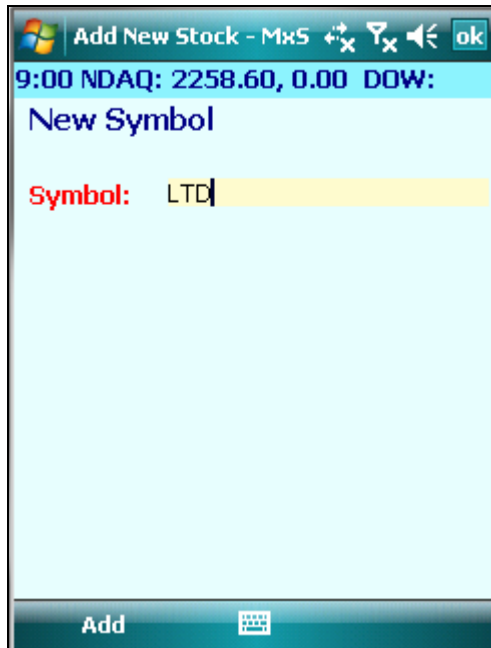

To view the details of a stock quote tap on the stock quote for which you want to view the details.

MxStock v 1.0

Evaluation version will expire after 14 uses. Please register.

Serial: 1100821252131239014

Key:

Enter Key

Developed by SoftOnHand

- To register you will need the **ActiveSync ID** or **Owner Name** or **Serial #**.
- You can locate the ActiveSync ID as shown below. In the example given below **'WM_XYZ'** is the ActiveSync ID.
- The Serial # is a 19 digit # located in the registration form as seen in the example.
- Owner Name is the name in the Owner Information found in the Today Screen.

In the example given below **'WM_XYZ'** is the ActiveSync ID.

To find the Owner Name Today's Screen or by clicking on **Settings-->Personal-->OwnerInformation -->Name**
If you have not set the owner name, please set it & supply when requested.

If you do not have the Microsoft ActiveSync software (Usually a CD is packaged in the PocketPC box) installed, please install it. To download visit the following page <http://www.microsoft.com/windowsmobile/activesync/default.msp>
