

# MxWallet

for Palm OS

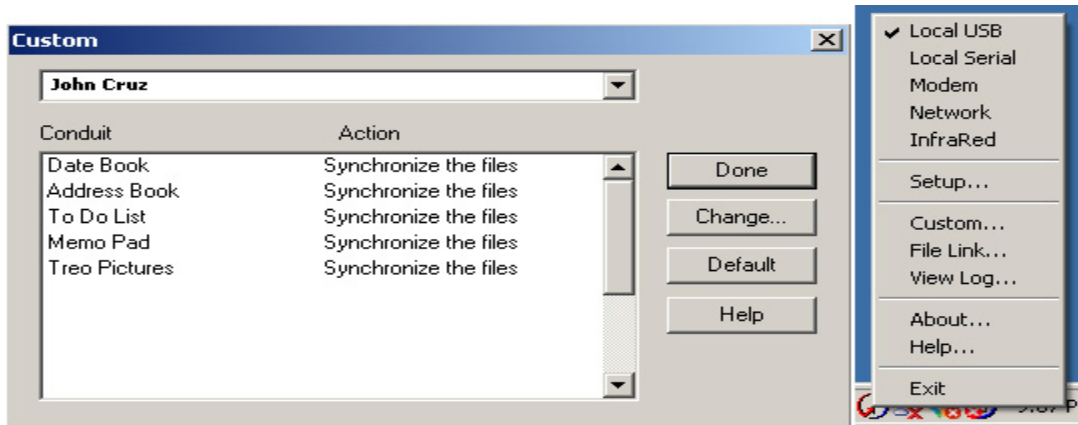

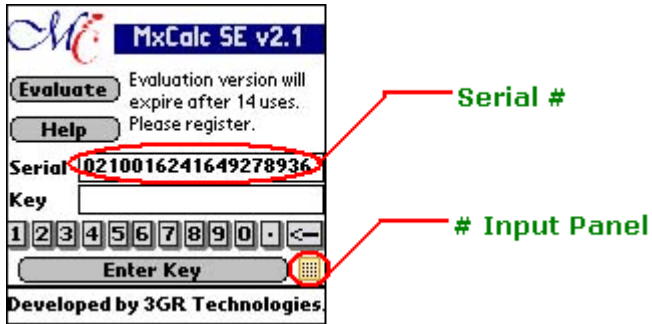

Version 1.0.1  
User Guide

**Product of :-**

3GR Technologies

For Installation information & Sales/Support contacts refer the Read Me file.

## Registration

To register you will need the HotSync ID. You can locate the HotSync ID as shown above. Select 'Custom' by clicking on the HotSync Icon in the System Tray.

In the above example 'John Cruz' is the HotSync ID.

Enter the key provided with your purchase (or later via email) in the input area below the serial # and tap on 'Enter Key' button.
